## Distribution of Readings

### Features:

•**Comprehensive**—covers all books of the Bible in a one year cycle.

•**Christ-centered**—reading from the Gospels and the New Testament are interspersed through the year

•**Contains variety**—each quarter contains reading from the major types of literature in the Bible.

•**Evenly paced**—the length of the readings in each quarter and each month within a quarter are nearly equal in length.

•**Great for reading**—using the Bible of your choice, divide the total number of pages in the Bible by 365 for the number of pages you need to read 7 days a week. For reading 5 days a week, divide by 260.

•**Even better for listening**—you can listen through the Bible by listening 15 minutes a day 7 days a week, or 20 minutes a day 5 days a week.

•**Flexible**—you can use any Bible, any version, or any recording of the Bible. You can read/listen to books in a month in any order you like.

•**Fun**—check off the books as you go until the list is complete!

**Use the checklist on the back page to track your progress.**
