## A Time of Transition

How were things going to change for the Israelites who heard the words of today's text for the first time?

Israel was about to enter a time of t\_\_\_\_\_.

What was the most important question the Israelites faced at this time?

How do times of significant transition affect one's faith?

## Covenant Renewal

What does Moses do to give his people the best possible chance of succeeding in the plans the Lord had for them?

The Lord directed Moses to call the Israelites to recommit themselves to the c\_\_\_\_\_ they had made at Sinai. This is called a covenant r\_\_\_\_\_. Deut. 29:1,12-13

## Israel's Crucial Choice

Moses makes the concern very simple. He boils everything down to \_\_\_\_\_ choices. Deut. 29:11-13

Describe the two ways:

What would be the result of each choice?

What did this mean for Israel?

Why would anyone choose death, destruction, and curses over life, prosperity, and blessing?

## **Our Crucial Choice**

How is the choice we face today different from the choice Israel had to make? John 14:1-6

How is the choice we face today similar to the choice Israel had to make? John 3:36, 1 John 5:12

What is so important about the choice God sets before us?

## **Renewing Our Commitment**

Why was it important for Israel to renew the covenant at this time?

Truth to Remember:

***Renewing our commitment to the Lord  
helps us remain faithful through the transitions of life.***

What are some of the major transitions we face in life?

Transitions become opportunities to either lose your faith or to s\_\_\_\_\_ it.

Challenge: ***Renew your commitment to the Lord, especially in times of transition.***
